

NEWS & NOTES

08/26/2019

School Theme 2019-2020 — **REJOICE** always, **PRAY** without ceasing, **GIVE THANKS** in all circumstances, for this is God's will for you in Christ Jesus. 1 Thess. 5:16

A note from the Principal

With God as our foundation, we educate & equip for service, for Christ, the mind, heart, and spirit of today's 21st Century learner.

Thank You!! St. James Lutheran School was very busy this past summer with the many projects that were going on. Our school is very thankful for Russ Shoemaker and the Board of Church Properties for all their work on the St. James facility; to Daphine Prather, Chelsea Cole, Glen Saunders, and Amanda Goodspeed for all their work with cleaning and painting; and to Starlah Smith and everyone who helped out with the moving crew in moving our classrooms. We are also thankful for Andrew Rogers, Evan Gutierrez, Mason Gutierrez, Jonathan Gutierrez, and Oscar & Theo Eggold for moving new curriculum textbook boxes to the different parts of the schoolhouse. We are thankful for the donors who made these projects possible and the hands and hearts who gave of their time and talents.

A Friendly Reminder...

- Hot Lunch Program fees are collected through our Harmony student information system (SIS). If you haven't already, check your child's lunch account one a week to keep accounts current. You can also set parent notifications through Harmony to alert you for lunch account and grades.
- Other fees like field trips, PE uniform, extra Bible, etc. are paid through Smart Tuition. Please do not bring checks or cash into your teacher or to the school office.
- Unless you are utilizing the before school Early Room, please do not drop off your students in front of the entrances before 7:45am. 7:45am is when the doors open to the schoolhouse. Even if the student arrives at 7:40am, they are to report to the Early Room in the cafeteria. This is for safety reasons as teachers continue to prep for the day and may not be in their classrooms.
- Be watchful, be observant, and slow down as you approach our drop off & pick-up zones on 8th St., and the back, upper parking lot area behind the school before and after school hours. For you family's safety, **please only cross at crosswalk designated areas.**
- Free/Reduced Meals for Hot Lunch:** If this does or might pertain to your family, please fill out the necessary information through your Harmony account TODAY. If you were a part of this service last year, YOU MUST re-apply each year for it. Without the approved application, meals continue to be charged at the regular rate.

Harmony SIS: Harmony is our student information system that houses are school's data information, run student progress and report cards, and the financial portal for paying for the Hot Lunch Program, just to name a few. Please make sure to keep your username and password and in a safe place. If

you should ever forget your credentials and have problems with the site, simply email us (school@stjameslaf.org) and we will get you the information. This is also a great time to double check that your family and contact information is correct and updated. This is also used for the re-unification process should anything happen where the schoolhouse needs to evacuate to another facility.

TRINITY LUTHERAN CHURCH & SCHOOL

August Chapel Offerings

Offerings are collected at chapel services. This is a way for students and families to share God's love with people near and far. The next two months we are collecting money to support Trinity Lutheran School in Indianapolis. This school is struggling financially this year. Please keep this school in your prayers and bring money for chapel on Wednesday.

PRESCHOOL 2'S NEWS AND NOTES (MRS. MCQUINN)

What a great week we had last week! The kids are really starting to learn our routine. We had so much fun in chapel learning new songs and learning all about how God created the world.

***This year instead of having a Carnival, our school is having a BINGO night on September 20th. Each class is asked to donate a basket to be auctioned off as a fundraiser for the school. Our class will be donating a LEGO Basket! If you could bring in a new LEGO item of any kind can be duplos, mini legos, lego sets, etc. I will collect the legos and put a basket together to give for BINGO night.**

If you have any old magazines lying around that you are finished with we would love to have them.

*This week In religion we will talk About The Story of Abraham

*This week during arts and crafts we will be making LEGO printing on house shapes, House collage, we will also build houses out of different shapes.

*During circle time we will be singing our zoophonics song and learning the motions to the song. We will also sing knuckles knees song. I will be showing items from a home and asking the students what it's used for and where in our homes we can find it. We will also be playing no Peeky, Peeky

*In story time we will be reading The Three Little Pigs, The napping house, Goodnight moon, If I built a house, and How a house is built

*Science and sensory: We will have sand in our sensory table

*Math: Sorting bears by colors

*Zoophonics this week will be C for Catina Cat

This week is going to be a great week!

PS 2's Ms. Eggold

In our Bible story this week, Abraham and Sarah were still waiting for a child to bring them joy. Even though they were past the time when people have children, they trusted in God's promise to bless them and obeyed his command to move to a new place. God always keeps his promises, and later we'll see how God gave them a son who brought them joy and laughter.

Many generations later, God gave a child who was the greatest blessing to all--a child who brings joy, peace and salvation to the world. Christ is the ultimate fulfillment of God's promise to Abraham and to all nations. As we talk about our homes and the rooms in them along with other blessings we receive, we remember that it is Christ who gives us an eternal home in heaven.

*We will cover the story of "The Three Little Pigs." After reading the story we will act it out with students, huffing and puffing and blowing houses down until we come to the house that is sturdy. We will thank God that we have strong houses that are safe and warm.

*We will have pictures of things found in houses that we have cut out from magazines. Each child will tell the class what is on their picture; what it is used for; which room in the house it belongs in; and we will close by saying, "God blesses us with _____."

*Our nursery rhyme for the week is "There was an Old Woman who Lived in a Shoe. We will have an adult-sized shoe and a child-sized shoe along with some small dolls. We will ask each child to estimate how many dolls will fit in each shoe. We will ask them to decide which shoe will hold the most. Which will hold the least? At center time children will have time to act out the rhyme with the figures.

*In Art we will do lego printing on house shapes. We will also have more magazine pictures depicting items from homes for them to glue onto house shapes.

*There will be sand in the sensory table and figures from the Bible story so children can re-enact Abraham, Lot and Sarah crossing the desert with their tent and livestock.

*We will have "smelling jars" at the science table this week. Each film canister will contain a cotton ball that has been saturated with a scent (i.e. peppermint, lemon, cinnamon, orange, coffee). Children will be asked to tell us what each smell smells like.

It is going to be a great week of appreciating our homes and the other blessings God continually gives us!

Hello Preschool 3's Parents,

This week begins our "All About Me" Unit to learn more about each other. My students will share their family pictures with the class and tell us who is in the photo. If you haven't brought it in yet, please do, so they can share this picture this week! :) In addition, we will talk about God's beautiful creation and His creation of us, His children. We will be talking about the beginning letters of our name and identification of our names found around the room. This week the Writing Center will be introduced and students will play with gel bags to make shapes and different kinds of line to pre-write. Pre-writing practice is very important before beginning the writing practice. My students will have many opportunities to pre-write and increase their fine motor control.

*Special Note: Our class is putting together a Coffee-themed basket for Family BINGO Night on Sept 20th. Please see the sign-up sheet in the classroom!

What We are Learning...

Dramatic Play - Home Living

Science - Frogs & Ponds

Numbers/Math - Color Sorting & Counting to 5 using frogs

Letter - Review of ZooPhonics letters and sounds

Sensory - Colored Noodles

Bible Story - God Made Me, Creation Introduction

Upcoming Dates...

Aug 28 - PTL Meeting & Family Game Night 6-8pm, wear pj's!

Sept 2 - No School, Labor Day

Sept TBA - Wea Apple Orchard

Sept 20 - Family BINGO Night

In Christ, Mrs. DeBlicek

PS 3's / PK Mrs. Kurtz

Week of:
August 26-30

Monthly Focus:

Letters: Introduction to Zoo-Phonics

Color: Introduction to all colors

Shape: Introduction to all shapes

Numbers: Introduction of 1-20

Counting: 1-10

So thankful for another great week of school! This week our lessons will look a lot like last week. Since, we are focusing heavily on routines and how to be at school, we haven't gotten through everything quite yet. This is definitely very typical for the beginning of the year. By setting routines and expectations early on, it leaves the rest of the year for learning and fun!

This year, instead of having a carnival, our school is having a BINGO night on September 20th! Each class is asked to donate a gift basket to be auctioned off as a fundraiser for the school. Our class will be donating a Movie Night basket! I will have a sign up in the classroom with items that will be needed. Basket items are due on Thursday, September 12. When you submit your basket items, please include a value for each item donated to make preparations easier for valuing our basket. Thank you for supporting our St. James PTL.

Weekly Focus:

Religion: The Lord's Prayer (Next week starts our religion curriculum)

Bible Words: "Rejoice always, pray continually, give thanks in all circumstances;

for this is God's will for you in Christ Jesus."

1 Thessalonians 5:16-18

Snack Helper: Sofia

We have 16 students in class (There are no allergies)

Dramatic Play: Home Living

Literacy/Letter Recognition: Zoo-Phonics Introduction & Review of animals and signs/Zoophonics Bingo

Science: Introduce monarch caterpillars, Learn about the life cycle of a butterfly, and read our fact cards

Math: Roll a number caterpillar game, Clip counting, Counting our caterpillars

Sensory: Sorting life cycle noodles

Art: Exploring symmetry (Butterfly Squish Painting)/Water color coffee filter butterflies

Fine Motor: Line cutting and tracing to assess strength and grip

Specials: Art- Tuesday (4 year olds only), Music- Wednesday, Library-Thursday

Library books are due every Thursday.

Blessings,
Mrs. Kurtz

PreK Mrs. Caylor

Monthly Focus:

Letters: Introduction to Zoo-Phonics

Color: Introduction to all colors

Shape: Introduction to all shapes

Numbers: Introduction of 1-20

Counting: 1-10

This week, our lessons will look the same as last week. Since we are focusing heavily on learning routines and *how* to be at school, we haven't gotten through everything quite yet. This is definitely very typical for the beginning of the year. By setting routines and expectations early on, it leaves the rest of the year for learning and fun! We had our first art class last week with Mrs. Tietz and our first story time with Mrs. Gillespie. The children seemed to love both so much and I can't wait to see how they progress through the entire year!

This year, instead of having a carnival, our school is having a BINGO night on September 20th! Each class is asked to donate a gift basket to be auctioned off as a fundraiser for the school. Our class will be donating a Sundae Kit basket! I will have a sign up in the classroom with items that we will need.

Weekly Focus:

Religion: The Lord's Prayer

Bible Words: "Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus."

1 Thessalonians 5:16-18

Snack Helper: Clara

We have 22 students in class

We have one peanut and tree nut allergy, and one milk allergy in our class.

Dramatic Play: Home Living

Literacy/Letter Recognition: Zoo-Phonics Introduction & Review of animals and signs

Science: Introduce monarch caterpillars, Learn about the life cycle of a butterfly, and begin fact cards

Math: Roll a number caterpillar game, Clip counting, Counting our caterpillars

Sensory: Colored pasta representing the life cycle of a butterfly: yellow shells (eggs), green rotini (caterpillars), dark green rigatoni (chrysalis), and red bowtie (butterflies)

Fine Motor: Line cutting and tracing to assess strength and grip

Blessings,
Mrs. Caylor

Kindergarten Mrs. Trautmann

Memory: Christ Jesus came into the world to save sinners. 1 Timothy 1:15

Jesus Time: The Garden is Closed

Reading/Language Arts:

Read Aloud: *Kindergarten Kids & School Bus*

Genre: Poetry

Vocabulary Words: clue, mistake, puzzled

Story Elements: Character, Setting

Print Concepts: Book Orientation, Book Parts

Foundational Skills: Identifying Rhymes

Identifying Syllables

Alphabet Knowledge Qq-Zz

High Frequency Word: *see*

Writing: Opinion Writing

Grammar: Verbs

Math: Represent, Count, and Write Numbers 0-5/Compare Numbers to 5

Afternoon Activities: Learning about Responsibility, Respect, and Self Control/Creating a list of Classroom Rules

Homework bags will come home on Mondays! This week, library bags will contain homework as well as a library book. Instructions for the homework is on the back of the homework page. You can keep the library bags at home all week and just return them on Mondays! Thank you to Mrs. Tietz for the new library/homework bags!

The first PTL (*Parent-Teacher League*) **meeting of the year will be this Wednesday, 8/28 from 6:00-8:00 in the cafeteria.** Following the business meeting will be a Family Game Night! Bring your favorite game; snacks and drinks will be provided! PS...if you come in pajamas, you will be entered into a prize drawing :).

Every class has been asked to create a basket for the silent auction to be held during the **PTL Bingo night on September 20th**. The kindergartners are going to collect items for a Candy Basket. You can sign up to make a donation here... <https://perfectpotluck.com/DANF9653>
Thank you!

For Your Calendar:

Monday 9/2: Labor Day...No School!

Thursday 9/12: Candy Basket donations due

Friday 9/20: Grandparent's Day

Friday 9/20: PTL Bingo Night

God's Blessings on your week!

Mrs. Trautmann

Miss Roland

Mrs. Goodspeed and her crew have worked hard to prepare the library for us to use. Our library time will be Monday and Wednesday mornings. Heather Forsythe is willing to be our check in and check out person. She/I would also like a 2nd volunteer to help. Heather is not feeling well, so if you feel you can help. Thank you. We do library first thing in the morning, as soon as the volunteer is here and ready. That way, it doesn't cut into people's day. If you are willing, please let me know. Thank you Ivy Meyer and Zula Kress! (Violet Thompson on stand by--thanks.)

There is an opportunity to check out books on Monday and Wednesday.

This week, we will push a little harder for task complete. There may be homework to complete. Using a planner is a bit much for 21 first graders and writing out a day's plan and copying it..will always result in the things we didn't get even get started.. I will try to have pages circled and dated that need to be completed at home. Please try to help/encourage the completing at home and return books the next day. Even if the work doesn't get completed, return the books, because we will use them every day.

Memory for this week: Faith is being sure of what we hope for and certain of what we do not see. Hebrews 11:1

Bible Story: Abraham and Sarah have a son. Jacob blesses his sons

Handwriting: lower case y, e, s

Math : adding, addition strategies (families, part/part whole, representing with manipulatives).

Reading: We will begin our reading series this week. We will learn about:

- anchor charts: sequence, author's purpose
- high frequency words: a first good had he I my was
- phonics: n d p c/k/ and short a
- big idea words: challenges emotions friendship
- power words: accept introduce partner together calm kinds ridiculous trip happened last search wished
- story: My School Trip
- grammar: nouns
- Writing: everyone has a story to tell, prewriting
- realistic fiction, main idea

When the "My Book" comes home, please reread the stories for the week. For right now we will not be doing the "On My Own " pages after the story. Please feel free to work through those with your first grader, you can do some or all...

Social Studies: being a good citizen in school, at home and in our community.

A shout out to Cassie McQuinn! She is already thinking of and purchasing for the gift card challenge in February for the 2020 St. James Auction.

Also, to Amanda Goodspeed! She has brought me an auction item and is working on the graphics for the web site and our "save the date" magnet.

It is never too early to begin thinking Auction 2020!!!

Please, as we make our beginning, ask me if you have any questions.

Please also remember that I am willing to talk with you. As we are learning rules and routines, it is hard. It is hard for all 24 of us to be on track. An acquaintance once mentioned it is like herding kittens. Yup--I have 5, stop to redirect 2 and lose 3...I also, would like to remind you that the story that comes home may not include all of the details. Please come and talk to me..or e-mail me if that is your desired use of communication.

Rejoice Always. Pray Continuously. Give Thanks in all Circumstances

Mrs. Arden

Thank you for supporting the St. James Auction 2020 at the Kona Ice Fundraiser on Friday! Please remember there is NO SCHOOL on Monday, September 2 for Labor Day. Enjoy the weekend with your family!

Some of the second graders have started taking Accelerated Reader (AR) quizzes and are very excited about achieving their Library Olympics goals. A chart of the Library Olympics goals is in your second grader's home binder. When a second grader passes an AR quiz, the date and score will be recorded on the chart. **It would be very helpful if you would record the title and author's last name of the book that your child is ready to take a quiz on in his/her student planner or have the book.** Parent volunteers can use that information to access the AR quiz on the iPads. Each second grader should be taking at least one AR quiz a week to reach his/her goal. Students need to be reading at home and at school to work on their AR goals.

The second grade class has chosen to do a "Arts and Crafts" Basket for the PTL Bingo Night on Friday, September 20. Baskets will be displayed for silent auction. Please consider donating items to make our basket a success for St. James Lutheran School. The Perfect Potluck link is being sent via email to sign up for donations to avoid lots of duplicates: <https://www.PerfectPotluck.com/JCIG8343> **Basket items are due by Thursday, September 12.** Thank you for your support!

Please remember to check the home binder, ClassDojo chart, and sign the student planner nightly. Please don't hesitate to send me a dojo message, text, email, call, or stop in the classroom if you have any questions.

Dates for Your Calendar:

Wednesday, August 28: PTL Meeting and Family Game Night from 6:00-8:00 P.M. in the cafeteria. Hope to see you there!

Topics for the Week:

Memory: Students will have a fill-in-the-blank memory quiz on Wednesday and Friday of each week.

Wednesday Quiz: "Behold, I am with you and will keep you wherever you go." Genesis 28:15

Friday Quiz: "For You, O Lord, are good and forgiving, abounding in steadfast love to all who call upon You." Psalm 86:5

Religion: Jacob's Ladder; Joseph

Reading: Be a Super Citizen

Stories of the Week: Picture Day Perfection

Second graders will bring their reading anthologies home on Wednesday and Thursday nights to reread the story of the week that has already been read in class. Please initial on the ClassDojo chart when your second grader has read the story at home. Please consider the needs of your second grader as to whether he or she can read the story independently, partner read with a parent, sibling, etc., or have the story read to them. Read the story both nights, one night, or split it between the two nights. This will assist your second grader with fluency and comprehension skills.

Spelling: The second graders will have a pre-test on Monday and a post-test on Friday. If all of the 16 spelling words and review words are spelled correctly on Monday, he or she will only spell the challenge words on Friday. The spelling words for this week are words with long "a and i": **cake, mine, plate, size, ate, grape, prize, wipe, race, line, pile, rake, Review: win, flat, rip, if, Challenge Words: mistake, guide**

Grammar: Statements, Questions, Commands, Exclamations

Writing: Personal Narrative

Handwriting: Practice, Review, and Evaluation of Manuscript Letters aA, dD, oO, gG, cC, eE, sS; Writing smaller than usual

Math: Chapter 1 Number Concepts; Test Friday

Social Studies: Chapter 1 My Community, My Country

In His Hands,
Mrs. Arden

We are collecting items for our PTL basket - Family Fun! Please bring in items and let me know each items value by September 12. Thank you. <https://perfectpotluck.com/meals.php?t=KMQI3481&welcome=1>

A letter went home on Friday about the opportunity to read to dogs at school. If this is something your child would be interested in doing, please sign and return the letter.

PTL game night is Wednesday at 6:00 in the cafeteria. Come enjoy time with friends while playing games.

What are we learning this week?

Religion - Who is God?

Memory -

August 28 - These are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in His name. John 20:31

August 30 - Fear not, for I have redeemed you; I have called you by name, you are Mine. Isaiah 43:1

Math - Chapter 1 - addition strategies and subtraction strategies - Test on Friday

Reading - We are reading, "Scaredy Squirrel". Our skills we work on this week are: making inferences, point of view and theme.

Writing - Personal Narrative

Spelling - The spelling test is on Friday. The words are: lay, real, trail, sweet, today, dream, sleep, tea, treat, afraid, leave, bait, speed, lead, flavor, even, between, pavement.

Science - Rocks and Minerals - We are studying properties of rocks this week.

Social Studies - Chapter 1 - Communities - What makes communities special?

Have a great week!

This week we have a field trip tour of the public library on Thursday. We will walk to the library, so students should be sure to wear shoes that are appropriate for walking, and dress appropriately for the weather. Thanks to the 2 parents that are walking along with us. Spelling and memory work will be given out on Monday. We begin a new chapter in math this week which includes multiplication skills. Students should review the multiplication tables through 12.

We are doing a snack basket for the PTL bingo fundraiser. Please send in snack items or drinks by Sept 12th. Make sure your kids are reading daily.

Memory-Verses need to be said by this Friday.

Religion-We are currently in Unit 1 God and His Word

Languages Arts-Students have been giving their point goals for this quarter. They need to read a young hoosier nominee this quarter. Spelling test on Friday.

Social Studies- Chapter 1

6-8 Grade Social Studies-Continuing with current Topics

6th Grade Memory - On Monday they will write memory and then Friday they will complete a fill in the blank quiz last half of Old Testament Books.

6th Grade Religion - We are learning about Isaac in the Old Testament

5th Grade Science - We are studying "What Science is?" and the scientific method.

6th Grade Science - We are studying Plate Tectonics. We are testing over Chapter 1 on Tuesday.

7th Grade Science - We are doing a slide report on Bacteria

8th Grade Science - We are studying matter. We are testing Wednesday.

Mrs. Keiser

We are officially into the “real work” of school, adjusting our lives and schedules to homework and activities and family life. It takes some time to do this, especially when you are newly arrived to junior high. Hang in there, the system will become clearer.

This week in language arts all students continue with spelling and vocabulary worksheets due Thursday with a test on Friday. Other grammar packets will continue with daily assignments. The 8th grade continues with futuristic literature while the seventh grade is reading short stories and the 6th grade will start fables and myths.

Gardening as an elective will be held each Monday. Students in gardening may change their clothes at noon in order to work in the afternoon. See Mrs. Keiser with questions.

The 7th grade will begin a pen pal project. Be sure to have your permission slips turned in by Tuesday!
Have a blessed week--Labor Day weekend upcoming! Hasn't the weather been wonderful??

Mrs. Farrington

PE: Soccer

8th Algebra: Ch 2 Lessons 2.3-2.5, Quiz Friday over 2.1-2.5

7th Math: Ch 1 Lessons 1.8-1.9 Test on Friday

6th Math: Ch 1 Lessons 1.5-1.9; Quiz 1.5-1.9 Tuesday Test on Friday

5th Math: Ch 1 Lessons 10&11 (no 12) Test on Friday

Art- Mrs. Tietz

What a wonderful first week of art class we had! PreK, Kindergarten, first, and second all created art inspired by books. Third and fourth made small easels with mini art. Fifth grade made RexRay collages. Middle school assembled portfolios. Our theme next week will be art inspired by food. Middle school will learn about art of the ancient world.

Please save cereal boxes (flattened); small yogurt containers, and yarn, I need lots for our weaving unit!

**SPORTS
NEWS**

CHEER THIS WEEK
Athletics

*Keep turning in those physical and sport forms. - Thank you!

*Look out for a volunteer sign in your email. 2 slots for each volleyball family. Soccer families we would appreciate your help as well if you have time!
